

Tri-State Jazz Society, formed in 1988, is dedicated to the preservation and live performance of traditional jazz. Concerts featuring leading professional soloists and bands are presented throughout the year. Events are open to the public and all who enjoy traditional jazz are invited to join. The society is a non-profit educational corporation supported by its members.

Admission Prices

General admission to band and piano concerts is \$20 unless otherwise stated. Non-members are invited to attend their first concert for half price (\$10). High school and college students with school identification are admitted free to all concerts. Younger children with a paying adult are also free.
